SECTION 1 GENERAL PRODUCT DATA

Product Name:	**BLACK SANITISER**
Product Description:	Sanitiser

SECTION 2 HAZARD IDENTIFICATION

Hazard Category:	Irritant
Risk Phrases:	R21/22, R36/38
Safety Phrases:	S2, S13, S23, S24/25, S26, S36/37/39

SECTION 3 COMPOSITION / INFORMATION ON INGREDIENTS

EEC Classification:	Irritant
Hazardous Component:	Cresylic Creosote

SECTION 4 FIRST AID MEASURES

Swallowed: Rinse mouth with water immediately. If swallowed, DO NOT induce vomiting. Drink water and seek medical assistance immediately.

Eyes: If it gets into the eye, hold eyelid apart and flush the eye continuously with running water. Continue to flush with water for at least 15 minutes. Seek immediate medical assistance.

Skin: If it gets into contact with skin, remove contaminated clothing and flush with running water.

Inhaled: Remove the person from any further exposure. Seek medical attention if effects persist.

SECTION 5 FIRE FIGHTING MEASURES

Specific Hazards: Non-combustible material.

Fire-fighting Advice: Fire fighters should wear full protection equipment, including a self-contained breathing apparatus.

Extinguishing Media: This product is not flammable. Use fire-extinguishing media appropriate for surrounding materials.

SECTION 6 ACCIDENTAL RELEASE MEASURES

Environmental Precautions: Prevent run off into drains and waterways. Collect and seal labelled containers for disposal. Wash area with water.

MAX PRODUCTS
Manufacturing Quality Chemicals since 1998

Personal Precautions: Wear protective clothing and avoid eye and skin contact.

Spills: For small spills, flush away with plenty of water. For large spills, contain by using sand or soil. Wash down area with excess water and transfer to a container for disposal.

SECTION 7 HANDLING AND STORAGE

Handling Advice: Avoid eye and skin contact. Do not ingest. Keep out of reach of children.

Storage Advice: Store in a cool, well-ventilated area and out of direct sunlight. Keep containers closed at all times when not in use. Check regularly for leaks.

SECTION 8 EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering Measures: Provide adequate ventilation. Keep containers closed when not in use.

Respiratory Protection: Use with adequate ventilation and keep containers closed when not in use.

Protective Gloves: Wear protective gloves. Rubber gloves recommended.

Eye Protection: Goggles or safety shield recommended.

Hygiene Measures: Wash hands after contact. Wash contaminated protective equipment before storage and reuse.

SECTION 9 PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid
Colour: Dark Brown
Odour: Typical tar odour – Strong
Solubility: Soluble

SECTION 10 STABILITY AND REACTIVITY

Stability: Stable under normal conditions. Incompatible with strong oxidising agents and acids.

Reactivity: May react with strong oxidants. Avoid overheating and open flames.

SECTION 11 TOXOLOGICAL INFORMATION

Health Effects:

No adverse health effects expected if the material is handled in accordance with this Material Safety Data Sheet.

If mishandled, the following can occur:

Potential acute health effects

Eye Contact: Irritating to eyes.

Skin Contact: Skin irritant.

Inhalation: Breathing in of product may cause headaches and nausea.

Ingestion: Exposure may cause nausea, abdominal pain and vomiting.

SECTION 12 ECOLOGICAL INFORMATION

Environmental Effects: High concentrations may be harmful to aquatic life.

Environmental fate, persistence and degradation: Avoid contaminating waterways. Spills should be contained, absorbed by sand or earth and placed in plastic drums for disposal.

SECTION 13 DISPOSAL CONSIDERATIONS

Waste Disposal: The generation of waste should be avoided or minimised wherever possible. Dispose according to municipal, provincial and local regulations.

Disposal of Packaging: Empty containers can contain harmful residues and are subject to proper waste disposal. Always obey hazard warnings.

SECTION 14 TRANSPORT INFORMATION

Dangerous Goods Class:	9
IMDG Packaging:	III

SECTION 15 REGULATORY INFORMATION

EEC Classification:	(Xi) Irritant
Risk Phrases:	R21/22, R36/38
Safety Phrases:	S2, S13, S23, S24/25, S26, S36/37/39

SECTION 16 OTHER INFORMATION

This Material Safety Data Sheet (MSDS) is offered for your consideration as a guide for the handling and safety of this product. The data contained herein summarises our best knowledge of the health and safety hazard information relating to this product.

The information contained in this MSDS is offered in good faith as accurate, but without guarantee in conditions of use, and particular uses, beyond manufacturer's or supplier's control. Users assume all risks of use of the product.

MSDS data does not apply to use with any other product or in any other process.
